# About Haryana Lifts

## Made for safety

---

Being in the field of vertical transportation from more than a decade we manufacture all kind of Industrial Lifts, Passenger Lifts, Goods Lifts, Capsule Lifts, Hospital Lifts, Flame Proof , Dust Proof Lifts, Hydraulic Lifts, and Hydraulic Car Lifts.

Be it the simplest elevators or the world's most sophisticated elevator, we at HARYANA LIFTS will provide you the one which will best suit your needs and your budget.

We Manufacture all types of Elevators. Our Products cater to Residential, Commercial, Industrial and Hospital needs. Our Products are designed to offer superior performance under a wide range of environmental conditions in India, keeping in mind harsh climates, uncertain power supply and specific applications.

# Why Haryana Lifts?

- 100% safety and comfort
- A well trained and highly professional service team for their assistance
- International Styling and Modern Engineering
- Technology with user-friendly controls
- Services abiding various International Standards
- 100% inspection & testing of all components

# Hydraulic Lifts

Prominent & Leading Manufacturer from Hyderabad, we offer hydraulic residential lift, hydraulic elevator, mini hydraulic lift and hydraulic cylinders for lifting purpose.

One of the most important factors for passenger elevators you should consider is the carrying capacity of elevator, elevator running speed and manufacturing the best proper elevator, as hydraulic or mechanical elevator, due to traffic calculations.

For passenger lifts; comfort, interior decoration and hygiene do matter as to intended use. Elevator cabins may be adorned with various materials such as laminate, wood, stainless and laminated glass according to the preferences of the users.

## Hydraulic Dumb Waiters

Our Hydraulic Dumb Waiters are applicable where there is a need to shift goods between different floors. We offer our clients a very efficient variety of Hydraulic Dumb Waiters that provides reliable and economical multi-level lifting solutions. Our hydraulic Dumb Waiters have rugged construction and advanced safety technology with proven reliability. Hydraulic Dumb Waiters are especially suited for hauling light load of materials.

We manufacture high quality goods lifts and dumb waiters which follow strict inspection and quality control measures. These lifts are excellent in performance and safe.

# Our Products

---

Our ever-growing product range provides solutions for building projects of all shapes and sizes. We thrive on giving our customers exactly what they want and our comprehensive range of products is designed to do just this. Whatever the requirement, there is sure to be something to fit the bill even if it's something outside of our 'standard' product range.
